Hello every one, I am Riyad. I am 12 years old. I am tall and slim boy. I have got brown eyes and short brown hair. I usualy wear t shirts and djeans.

I live with my family in a beautiful house which is located in the center of my town not far from my school. My father is a dentist and my mother is a housewife. I have two brothers. They are twins.

My house is big and lovely. It has a ground floor, the first foor and an attic. Downstairs, there is a kitchen, a bathroom and dining room. Upstairs, we have three lovely bedrooms, my parent's bedroom and the bathroom. My bedroom is next to my brother's room. I like sitting in the living room because it is so comfortable where I can watch TV and play video games with my brothers.

At the back of the house, there is a garage and the garden. The garden is very large. I like swimming but we don't have a swimming pool. However, on weekends, I can find time to play hide and seek with my friends in the garden. In the basement, is where we keep the washing machine and old stuff.
